We, the class of 1957, dedicate our yearbook, THE PANTHER TALE, to OUR PARENTS who have worked and supported us so faithfully.

We would like, in this way, to express our sincere thanks to you for making our high school years so enjoyable.

Many thanks from the Senior Class of 1957.

Nice Catch!

It's not school!

Message From the Superintendent's Office

Dear Seniors:

May I take this opportunity to commend the entire senior class but more especially the annual staff and sponsor, for their efforts in making possible another edition of "The Panther Tale." I am sure that you will find your time and effort resulting in another fine yearbook.

As you complete your high school years may you reflect from time to time upon the work you did here. May each one profit to the highest degree as a result of the efforts both you and your parents have put forth in making your high school years a success.

Opportunities have been here and others will appear in your future. It is our sincere hope that you will be able to challenge each opportunity as each one will challenge you.

Sincerely,

Jesse Batchelor
Superintendent

Message From the Principal's Office

Dear Seniors:

"We are proud of our lads and lassies
Of honors won in days gone by
. . . . . .

Let mirth and gladness banish sadness
And as the days go by
You'll find us ready, ready and steady
Boosting for Stockbridge High.

As the words of our Alma Mater come to your minds in future years, I hope that the memories will be made pleasant by the remembrance of friends made, tasks accomplished, and strong and solid foundations established for the future, while you were students at S.H.S.

Congratulations on your achievements and best wishes for future success!

Sincerely,

The Junior Class chose its class colors - Green and White. The class motto "It is my duty and I will," was also decided upon.

In the fall, the main events were leaf-raking, bottle-drives, and scrap-drives. Class rings were ordered. They are all the Thunderbird style. We had two dime dances and sold at three basketball games.

All able Juniors sold stationery during late fall and early winter. There was quite a profit from this business venture.

The year was highlighted by the J-Hop. We were all proudly wearing our class rings by this time. The Junior-Senior Reception also came along. We were practically Seniors!

The first project of the Sophomore Class of 1956-1957 was to choose a queen for homecoming and construct a float. Toni Mills was chosen to be our queen and her escort was Tom Bumpus. Our float had a blue, white, and pink color theme. The back of the float was an arch covered with white streamers and pink flowers, a ramp with a crown on it led up to our queen who sat in front of the arch.

Next came our dance which was held on November 30. We christened our dance "Holiday Inn" and our color theme was blue and white. The music was provided by an orchestra called "The Twilighters" led by a Stockbridge Alumnus, Marvin Camburn.

We sold refreshments at the Williamston basketball game and also held a dime dance. The Haslett basketball game and one of the tournament games found us hoping for a profit on refreshments.

The Freshman class started its activities for the year by selling refreshments at the Junior Varsity football game, September 27, 1956. For the Homecoming football game we made a float for the half-time festivities. The float was silver and white with the theme "The Panthers Reign." The Freshmen were proud of their lovely queen, Carolyn Lombard.

The next activity was selling at basketball games - December 11 and December 21. After the second game we had a dime dance.

The Freshman All-High "Stairway to the Stars" was Friday evening, January 18, 1956, with Cass Kaid furnishing the music for us.

SPECTACULAR! SUPERB! EXCITING!

This very well describes our eighth grade year. We have had many interesting activities to keep us busy.

With the assistance of Mr. Howlett and our advisors, we had two successful dances. We had very large crowds, and due to Mr. Conrad Eichhorn, we all had very enjoyable evenings.

This year we had cheerleaders for our basketball team. They were: Deanna Stoddard, Shirley Potts, Lois Hardt, Maxine Hudkins, Judy Lehman, and Mary Jo Dickinson. Thanks, girls, for the great job you did this year.

All in all, we had a very enjoyable year. We think our class is the greatest, for co-operation, friendliness, and good spirit. Here's hoping we're together through all our high school years.

MR. BARRY

At the beginning of the school year we seventh graders were divided into four sections. This year the school program was extended so all of us were able to take Art, Music, and Physical Education.

Our first activity was to elect our officers. The following people were elected: President, Gordon Taylor; Vice President, Lynn Owen; Secretary, Bobby Bumpus; Treasurer, Grant Higgins. The class sponsors are Mr. Barry and Mrs. McNally.

The big events of the year have been our two Junior High dances. Everyone had a good time social and square dancing.

We are also proud of our seventh grade basketball team. It is a hard-fighting and enthusiastic team, and we think it shows great promise for the future.

Sharon Collins of the senior class was chosen to reign as the 1956 Football Queen. She was crowned before an audience of 1,000 spectators by Doris Katz, the queen of 1955. Members of court, chosen by their classmates were: Phyllis Moorehouse, a senior; Vonetta Harr, a junior; Toni Mills, a sophomore, and Carolyn Lombard, a freshman.

Before the crowning ceremony a parade led by the high school band circled the field. For this parade each class designed a float honoring their queen. After the game a dance was held in the new high school gymnasium.

THE SENIOR CLASS PRESENTS "THE HOOSIER SCHOOLMASTER"

The Senior Class of 1957 presented "The Hoosier Schoolmaster" by Eggleston which was directed by Maurice Latimer. The story concerns the trials of a Hoosier Schoolmaster to subdue the town bullies and turn them into law abiding citizens. Ralph masters the bullies' many schemes by his strong determination and his renewed faith in God. In the meantime, Ralph falls in love with Hanna and her small brother, Shocky.

GIRLS' GLEE CLUB and BOYS' CHORUS

With the enlarging of the Girls' Glee Club to fifty-nine members this year, it became necessary to purchase eight additional robes. This the girls did by holding two successful bake sales.

The Glee Club continued its custom of singing one Sunday a month in one of the churches in the district. Singing for school assemblies and other school activities and co-operating with the Band and the Boys' Chorus in presenting a Christmas concert were among the annual projects repeated by the group.

In addition to taking part in the Christmas concert, the Boys' Chorus of twenty-three voices sang at school assemblies and presented a group of numbers at the February P. T. A. meeting.

These two groups joined forces in April to present their second annual musical variety show which proved to be the highlight of the year for the two organizations.

Glee Club officers chosen for the year were: Beverly Richardson, president; Carol Hannewald, vice president; Lorraine Mills, secretary; Christine Howlett, treasurer. Marie Jacobs, Pat Kunzelman, Barbara Flack, and Eula Neeley acted as Librarians, and Lorraine Mills served as accompanist. Boys' Chorus officers were: Douglas Barton, president; Fred Mills, vice president; William Barber, secretary; John Horst, treasurer.

The beginners' band numbered 38. They performed as a group for the Band Booster's Club meeting in January. The Junior Band of 22 showed remarkable progress this year, performing at the same Band Booster's Club meeting and at the winter and spring concerts. The Senior Band of 37 performed at six football games, the Christmas Concert, a winter and a spring concert, the District Festival, and was host for a massed band festival with Dansville and Leslie in our new gymnasium. Majorettes with the band were Linda Schreer, Peggy Carpenter, Sally Abbott and Mary Lou Hecht. Diane Collier was drum major. Norman Spencer was elected student conductor of the Senior Band.

Three of our members attended the Student Council Conference at the U. of M. There we found how other schools overcame their problems. Special Assemblies were held to acquaint the students with the functions of the council and for the students to air their opinions before the council. These ideas have helped us keep our school running in top order.

One of the first things this year's Journalism class did was to change the name of the school paper from "The Silver Scoop" to "The Panther Roars." This year for the first time the school paper was printed at Mason, Michigan.

The main goals were to report the news to the students, to create good relations between the school and the community, and to provide a laboratory for student press.

The paper was published bi-monthly under the supervision of Mr. Best. "The Panther Roars" is a member of the M.I.P.A. and second semester qualified for the "Scholastic Roto."

The cheerleaders from our school learned many profitable ideas on crowd psychology--- the qualifications of a good cheerleader------and ways to encourage a crowd.

SPEECH CLUB

President, D. Rick; Vice President, D. Collier; Secretary, M. Knott; Treasurer, B. Scott; Reporter, C. Hannewald.

Our club has taken part in many activities. A play for elementary pupils was presented at Stockbridge, Gregory, and Munith. Several one-act plays and cuttings from larger plays have been presented for high school assemblies. Readings and speeches have been presented to community groups at various times. Two of our members entered the Ingham TB Speech Essay contest and were selected as two of the five to represent this county in the state contest. Our constitution was written and presented to the student council in order that we could become a recognized club. It certainly has been a busy and enjoyable year.

DEBATE

The debate proposition was: Resolved that the Federal Government should sustain the price of major agricultural products at not less than 90% of parity. Schools debated are; Leslie, Napoleon, Haslett, and Ann Arbor St. Thomas. Regardless of our record of two wins and six losses, the year was very successful. Much progress was made toward total school interest in debate, and much experience was gained by our debaters. Several debaters will be returning which will help greatly next year.

C. Hannewald, M. Knott, Advisor, Mr. Latimer; G. Smith, D. Rick, R. Moorehouse.

Officers for Y.F.C. Club include Annette Rose, President; Hilda Craft, Vice President; Mary Jane Smith, Secretary-Treasurer; Shirley Liming, Devotions; Keith Grosshans, Song Leader; Dick Sober, Reporter, and Mr. Nye, Sponsor. Meetings were held on alternate Thursdays. Programs generally were planned by members, although sometimes we had guest speakers. There were no dues, or membership list. Everyone was welcome, and everyone who came enjoyed the Bible quizzes and drills.

Working in the new library this year was a pleasant experience for the ten members of the Library Club. Each student librarian spent one period a day in the library assisting the librarian. As a result, they have gained a knowledge of proper library procedures as well as valuable experience in handling library materials. Officers chosen for the club this year were: Syreta Dixon, President; Carroll Meyer, Vice President, Joan Anderson, Secretary, Jan Wetzel, Treasurer.

Left to right, standing: Mary Ellen Knott, Carol Hannewald, Helen Stanfield. Seated: Donna Bauer, Mrs. Mitchell, Mr. Latimer, Janet Stanfield.

Our officers are: President, Carol Hannewald; Vice President, Helen Stanfield; Secretary, Donna Bauer; Treasurer, Mary Ellen Knott; and Historian, Janet Stanfield. We visited the University of Michigan, Eastern Michigan College and Michigan State University. We also sponsored a tea for the teachers of the elementary and high schools of Stockbridge. We also try to make ourselves available to all teachers if they need or want any help.

At each meeting some one gives a report on something of value. We have a bulletin-board display on current education trends and other things of interest to anyone who should happen to be in the room. Our meeting room is 106.

The Club organized this year with Lowell Crandall, President; Norm Jacobs, Vice President; Fred Mills, Secretary; Frank Lee, Treasurer. The proceeds of their projects are to go to the Athletic Department. They sponsored a Boxing Program. They held a party for the Basketball Team and Cheerleaders. They also did many things to improve the school. Mr. Boyd, football coach, was the advisor.
